Advertising ban

The distribution of leaflets and promotional material, as well as any other promotional activities, shall be confined to the stand area and are not permitted elsewhere in the halls or exhibition grounds. Only relevant and booked EuroBLECH 2024 Sponsorship offered by the Organisers shall remain the exception.

Publicity shall be confined to promotion of exhibited goods and shall not be in breach of statutory regulations or good taste including but not limited to objectification, degradation, harassment or nudity of any person, nor shall it be of an ideological or political nature. The Organisers reserve the right to prohibit the display or distribution of advertising matter that could give rise to offence and to confiscate the supplies thereof for the duration of the event.

Advertising measures containing third-party advertising or references to sub-contractors, customers and other companies are not permitted.

Optical, mobile and acoustic publicity aids are permitted, provided they do not disturb neighbouring exhibitors or render inaudible the public address system in the halls.

The use of audio visual equipment, amplifiers, etc. and/or live performances by exhibitors at their stands is restricted and details are given in the Exhibition Regulations. In all cases, exhibitors are themselves responsible for obtaining, at their own expense, the relevant permits in terms of copyright licences and/or performance approval from the respective authorities or institutions. The Organisers accept no responsibility in this respect nor any liability which may arise from an exhibitor's failure to obtain clearance.

Exhibitors interested in on-site advertising options (e.g. shuttle bus ads, ad towers, etc.) can contact the Exhibitor Promotion & Service department:

Disconnection of utility services

Disconnection of utilities prior to the end of the show is not permitted. For safety reasons, only authorised Deutsche Messe staff are permitted to disconnect utility services to stands. You can avoid delays in having the utilities disconnected by making an appointment well in advance.

Exhibitors are emphatically warned not to disconnect or shut off supply lines themselves. The exhibitor is liable for any accidents or damage resulting from such action.

Driving ban for lorries on Sundays and public holidays

On Sundays and public holidays, HGVs with a gross vehicle weight of over 7.5 tonnes are not permitted to drive between midnight and 10 pm. This only applies to goods transport in the commercial sector. If a lorry has a gross vehicle weight of 7.5 tonnes or less, it is not subject to the Sunday and public holiday driving ban.

For HGVs over 7.5 tonnes or with a trailer, the purpose of the journey is therefore decisive. If this is not for the commercial transport of goods, then you may drive on Sundays and public holidays without restriction.

If you nevertheless transport goods for a commercial purpose on a Sunday or public holiday, you will receive a fine of 120 euros as a driver. If you are the keeper, you will even be fined 570 euros.

EMPERIA – Lead-Management-App

Benefit from Emperia: the lead management app for efficiently and simple collecting, managing and following-up of your trade show contacts (Visitors). If you have booked Emperia, you will find the access code for your company in the Exhibitor Hub under the 'Emperia' section. In addition, the access code will be sent automatically by e-mail to the main contact registered for your company shortly before the trade fair. Subsequent Emperia bookings can be made at the organiser's office in the Gallery, Hall 13 (west side).

Entry to the Exhibition

The Organisers reserve the right to refuse entrance to either Exhibitors and / or Visitors. This also applies when providing access to the Exhibition may be in breach of national or international trade embargos and / or economic sanctions.

The decision of the Organisers is final in all situations, and the Organisers accept no responsibility for any costs and / or liabilities incurred as a result of refused admittance.

Exhibitor & visitor survey

As at preceding events, both exhibitors and visitors will be surveyed during the exhibition. Exhibitors will be asked about their objectives and the success of their participation, while visitors will be questioned to determine their professional background and how they rate the exhibition.

Surveys are conducted by the following department:
Deutsche Messe

Business Development & Internal Management

Exhibitor directory

Exhibitors are entitled to a complimentary copy of the exhibition catalogue upon presentation of their exhibitor pass. You can pick up your catalogue at the hall inspector's office starting first day of the exhibition until the penultimate day of the event.

Exhibitor passes

A valid exhibitor badge is required for admission to the grounds during the exhibition. In the event that you cancel your participation, the badges become invalid and no longer authorize you to enter the exhibition.

You can book additional exhibitor badges through your stand manager in the ticket portal (ESC) (access via the exhibitor hub on the EuroBLECH website).

Exhibitor Service Center

Whatever you need as an exhibitor, you'll find competent Deutsche Messe staff to help you at the Exhibitor Service Center.

Gas order - Accessories

Deutsche Messe supplies the customer with technical gases filled in cylinders or cylinder bundles (hereinafter collectively referred to as "technical gases") as ordered, as well as delivery to the exhibition stand and collection of the containers. The delivery and collection of technical gases is subject to a separate charge. "Self-collection" is not possible.

Our service only includes the respective cylinders or bundles. Accessories such as pressure reducers, adapters, hoses, etc. are not included and must be provided by the customer in a suitable version.

For details on the products (e.g. valve sizes), please refer to the data sheets and the safety instructions under 'Downloads and links' in the shop.

GVH EuroBLECH Card

The Greater Hannover Transport Authority (GVH) offers exhibitors and their stand personnel a public transport ticket (GVH EuroBLECH Card) for € 24.80 gross per piece.

- It is valid for the entire duration of the fair and October, 21. - 26.
- in all public transport vehicles (2nd class only)
- use is limited to the greater Hannover area (GVH tariff district)
- only valid for one person and not transferable

The ticket is available from Oktober, 08 as an online ticket in the Mobility Shop .

Insurance cover, claims

In accordance with our Conditions for Participation, no liability of any kind will be accepted for damage to or theft of exhibitors' property. We therefore recommend that exhibitors arrange for complete insurance cover and adequate security for their stands by placing an order via Shop under "Staff and general services". Any exhibitors who have not yet submitted an application for insurance cover are reminded that it is in their own best interests to do so without delay.

Buses: West 35 (Near to the entrances West1 and West 2)

The parking of lorries is subject to the following regulations:

During the stand construction period (19-21 and 24 October) and the dismantling period (29 October), the West 45 car park will serve as the lorry entry point and overflow lorry car park. On 22 October the logistic center (Karlsruher Str.) is entry point for lorries.

Long-term parking can be found at Ost (East) 11-13.

Parking of lorries in car parking bays during the exhibition is prohibited. All exhibitors are kindly requested to inform their subcontractors (haulage companies and/or stand builders) about this parking regulation. Parking bays for lorries are signposted clearly by Parking Administration (GfV).

Patent protection, Priority certificates

For products displayed at the event, exhibitors can apply during the show for a Priority Certificate for registered designs, utility models and trademarks. The exhibitor then has the opportunity to apply for certain Intellectual Property Rights within 6 months after the show.

The issue date of the Priority Certificate will be accepted as the application date by the German Patent and Trademark Office, thus ensuring a time lead over counterfeiters.

Please note that in Germany, Priority Certificates do not apply to patent applications.

Priority certificates can only be issued during the exhibition by the patent solicitor's office.

During the show:

Press Center (Convention Center), 1st floor, Room 2.22

Public transport to the show

From the Central Railway Station (Hauptbahnhof) or city centre, take tram lines 8 or 18 to the "Messe Nord" terminus. A shuttle bus will transport you from there to the halls.

Tram line 6 takes you from to city centre to the Messe Ost station.

From Hannover Airport take the urban rail link (S-Bahn) to the Central Railway Station (Hauptbahnhof) and transfer to any train stopping at the " Hannover Messe/Laatzen" station. From there, take the skywalk to the West 1 entrance.

Alternatively, take the airport shuttle departing from arrivals level C for the West 1 entrance.

Quiet Room

A quiet room will be located in Room 211 in the Convention Centre (CC). It is accessible for visitors and exhibitors alike who need to step away from the busy exhibition halls.

Rail connections

During the exhibition certain northbound and southbound trains stop at "Hannover Messe/Laatzen" railway station. From there, a skywalk takes you directly to the West 1 entrance. You can also take a train to the Central Railway Station (Hauptbahnhof) and transfer to tram lines 8 or 18, which provide frequent service to the exhibition centre ("Messe/Nord" terminal).

Removal of goods after the show

Transport vehicles will be granted entry to the exhibition grounds as of 9 p.m. on the final day of the show. Removal vehicles will be directed by traffic wardens to a specified marshalling area for interim parking, subject to a charge. Signs marked "LKW" (German abbreviation for "trucks") are posted along all approach routes, showing drivers where to go. Please contact your own haulage contractor well in advance of the dismantling date to arrange for the removal work and the supply of fork lifts and other transport equipment.

Traffic

... on the fair ground, see "Vehicle access"

Travel

You will find all the information you need on the internet:

 www.euroblech.com/en-gb/visit/travel-hub.html

Urban trains & trams

See "Public transport to the show"

Vehicle access

Construction period (10 October - 21 October 2024):

Generally during the construction period all traffic may pass freely without access permit.

Exception: The fairgrounds will be closed to all traffic on 20 and 21 October 2024.

Cars, station wagons, vans and cars with trailers up to 2.8 tons will be admitted to the grounds for a maximum of three hours in exchange for a deposit of EUR 100.00 at the entrances SÜD 1, NORD 2 and WEST 1. A short-term access permit valid for this time will be issued.

Trucks with a permissible maximum weight from 2.8 tons up may pass freely through the open gates SÜD 1, NORD 2 und WEST 1 until 21 October 2024.

During the exhibition (22 October - 25 October 2024):

During the running exhibition the fairgrounds are generally closed to all kinds of vehicles. In emergency cases, permission to the grounds is given to passenger cars in exchange for a deposit of EUR 100.00 at the clearing gate WEST 1.

Trucks will only be admitted to the grounds before 9 a.m. and after 6 p.m. with a special permission.

Last day of exhibition (25 October 2024):

The grounds are generally closed to all traffic until 9 p.m., except for empties deliveries by authorised forwarding agents of the Deutsche Messe. Collecting parking lot for trucks will be at Ost 11-13.

All gates are open for all kind of traffic from appr. 9 p.m. on.

Official regulations prohibit the presence of motor vehicles on the grounds during the fair. The Deutsche Messe reserves the right to tow away at the owner's expense any vehicle found on the grounds without a valid permission. On the fairgrounds, the German Road Traffic Regulations (StVO) apply. Drivers must give way to the right. A maximum speed of 20 km/h must be strictly observed. (See also Deutsche Messe's Technical Regulations under point 4.)

Dismantling period (26 October - 30 October 2024):

On all dismantling days the grounds are generally opened to all traffic.

Trucks can from 26.10. - 30.10.2024 only via the truck control center through the open entrances: SÜD 1, NORD 2 and WEST 1.

Vehicles for disabled persons

Chauffeured vehicles are available for disabled persons requiring transportation within the exhibition grounds.

 +49 511 89-33900

Visitor information system (EBi)

"EBi" is the German abbreviation for our special free-of-charge electronic information system with terminals set up at various locations around the exhibition grounds, to serve the needs of visitors and exhibitors.

Trained staff are on hand to assist you with information on exhibitors or products of interest, or to quickly look up anything you or your visitors wish to find out about the exhibition - in English or German.

EBi terminals are located at the entrances NORD 1, OST 3, WEST 1, WEST 2 and SÜD 1, in all halls.

Additional product categories can be ordered for the visitor information (EBi) system (category orders are exclusively for the EBi system). Please send your enquiry to catalogue-rxsta@rxglobal.com
